

ULTIMATE LITIGATION BUNDLE

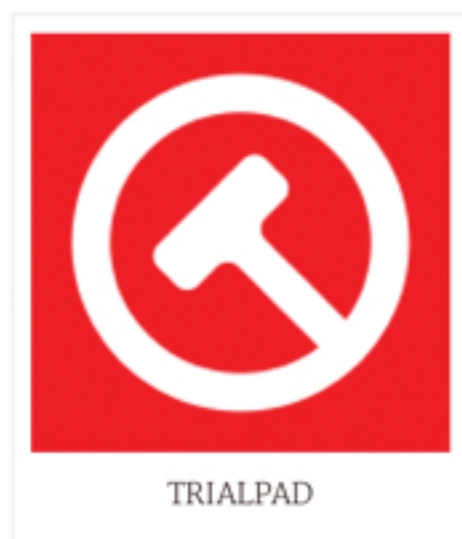

Mar 04 2015 · ∞

Lit Software is holding a 72 hour Spring sale where you can grab the [Ultimate Litigation Bundle](#) for \$139.99 (a savings of \$40 if purchasing each app separately).

NOTE

If you already own one of the two apps, the sale price still applies when purchasing the second app unless you purchased the prior app on sale then the sale price does not apply.

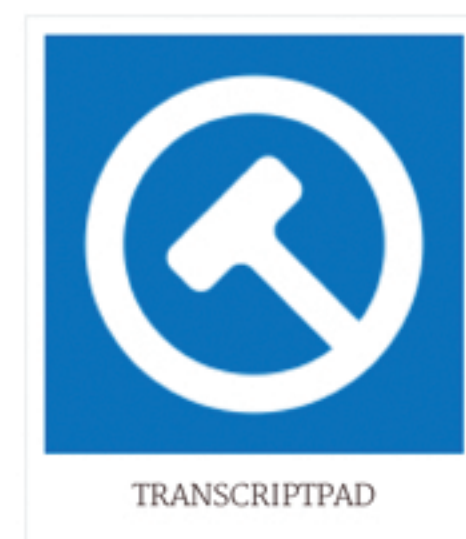

The Ultimate Litigation Bundle includes easily the two best litigation apps available on the iPad:

TrialPad is the award-winning iPad app that's the easiest and most effective way to organize and present evidence.

With TranscriptPad you can read and review legal transcripts everywhere you go.
